

Whether your customers are traveling in luxury or with just a pack on their back, its important that they have a safe, fun, and easy-going trip. Bad etiquette and a misunderstanding about customs can put an otherwise very exciting trip on hold faster than a bad case of food poisoning. Readers are going to want to know about the Culture Smart! customs and etiquette series and will find them as indispensable as their passports. The Culture Smart! titles are not your basic travel guides: they are consistently updated customs and etiquette references for more than twenty-five countries, with six new titles available this fall. Now more than ever, travelers are more than just sightseers and tourists; theyre ambassadors making impressions of the United States wherever they go. Readers will find these to be invaluable for pointing them on their way to a safe and fun trip abroad.
