

In this book, the reader is transported down a time tunnel to Aztec times, asked to choose an identity and given information on all aspects of life in that time in an original, interactive way. A rating is given at the end of the book to see whether the reader really would have survived. A colour poster is included inside the jacket. This book is part of a series created and designed by David Salariya. A wide range of titles is planned for the series which will bring new life and interest into history for readers of all ages.
