

This indispensable book shows how to incorporate independent reading into daily literacy instruction in the primary grades. Provided are class-tested strategies for engaging students in independent reading; creating and organizing the classroom library; developing mini-lessons and different kinds of reading routines; supporting struggling readers; monitoring and assessing independent reading; and promoting reading at home. Helpful reproducibles are included. From a team of highly regarded educators, this is a wise and user-friendly resource that teachers can immediately put to use in the classroom.
