

With a northern, coastal climate, New Jersey can be a difficult state for landscape gardeners. The New Jersey Gardeners Guide takes the guesswork out of gardening by offering state-specific, detailed information that generic national publications cannot. The book is the first of its kind for New Jersey because it provides readers with information on what plants will thrive in New Jersey backyards. Pegi Ballister-Howells knows the challenges of gardening in New Jersey and has written special sections that are devoted to plants for winter interest and plants for the shore area. The New Jersey Gardeners Guide is written for gardeners of all levels so everyone can achieve the garden of their dreams.
