

Spirit-Led Limericks and Other Christian Poetry is a collection of mostly limericks and some four-lined and haiku poetry, expressing spiritual insight gained by the author over his lifetime (i.e.: what God has taught him through the Bible, study, other believers and experience, so far, in his life journey). Some of it is opinion, but most poems are an attempt by the author to put in his own words spiritual principles and his personal awakening to the truth and practicality of a belief in Jesus Christ. Many poems have a direct reference to certain passages in the Bible the author has studied by himself and formally with other believers often using more than one version at a time for comparison. The author hopes that by presenting this collection, other people may have their own eyes opened and be encouraged in their faith or exhorted into faith in Jesus Christ, to the honor and glory of God the Father, through the Holy Spirit. So read, consider and enjoy!
