

These stories exude suffering at its worst - from the desperate cannibalism of the Donner Party to the brutal starvation and bitter cold endured by Ernest Shackleton's team. Tales of such suffering may be distressing to their listeners, but at the same time, they engage us, offering glimpses of our most fundamental needs. The accounts in this audiobook exist because people endured their miserable circumstances - they survived. Their stories remind us that while suffering is part of life, so is deliverance.

Lleida climbs - Catalunya: Selected sport climbs in the province of Lleida (English and Catalan Edition), El Seminario de Jacques Lacan: La Relacion de Objeto / The Seminary of Jacques Lacan: The Relation of Object (Spanish Edition), STUDIES ON THE PREVENTION OF CONTAMINATION OF EXTRATERRESTRIAL BODIES.
