

Your Public Speaking Workout was written to help the business speaker who feels less than comfortable when standing up to speak. Confidence in speaking can be learned--indeed, it must be learned if a person wants to be noticed in a positive way. The format of 6 1/2 Steps makes the book easy to follow. The exercises are designed to help the reader actually take the steps toward having fun with public speaking. When a speaker is having fun, the audience is, too.
